

Finding your child's 2021 results in your PAM account from 22 November

With the commencement of Jump Start on 22 November, students will use their 2022 timetable.

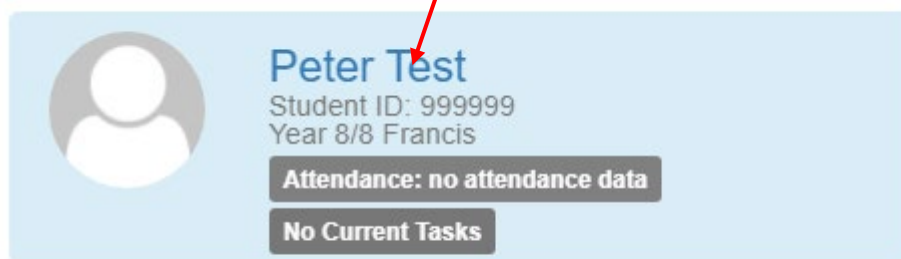

As a result, from this date, the College will officially commence Semester 1, 2022.

This change will affect how you view information in your PAM account relating to your child's 2021 Semester 2 Learning Tasks.

To view Semester 2, 2021 task results please follow these instructions:

- Login to PAM and click on your child's profile:
