

Construction update

Piling works for the foundations of the new rail bridge at Exford Road

Upcoming works in June

We're removing four dangerous and congested level crossings at Coburns, Exford and Ferris roads in Melton, and Hopkins Road in Truganina to make Melton boom gate free in 2026. We're also building a new, modern and accessible Melton Station.

Construction is underway for the new Melton Station and the rail bridges over Coburns and Exford roads and the road bridges over the rail line at Ferris and Hopkins roads.

Throughout June, works will continue in and around the Melton Station precinct including building the temporary bus interchange on Brooklyn Road, new station car parking and the support structures for the new rail bridges.

At times we will work 24 hours a day, with changes to how you travel around the area.

Please allow extra travel time and follow signage and direction from traffic controllers.

Access to local businesses and homes will be maintained at all times.

Stay up to date

Scan the QR code or sign up to email updates at levelcrossings.vic.gov.au/subscribe and under the Geelong-Ballarat-Melton line select Coburns and Exford roads, Melton.

What to expect

Detours in place for drivers and pedestrians

Traffic management and signage

Construction vehicles and machinery movements

Noise, dust and vibration

Additional lighting during night works

Changes to how you travel

Exford Road closures

To construct a new accessible pedestrian crossing, Exford Road will be closed for two weekends between Brooklyn Road and Staughton Street from:

- 9pm, Friday 20 June to 5am, Monday 23 June
- 9pm, Friday 27 June to 5am, Monday 30 June.

Detours will be in place via Coburns Road and access to Creek Street will be maintained at all times.

Brooklyn Road closures

To adjust and move on-street barriers we'll close Brooklyn Road at the intersection of Hazel Street for two nights in June. Visit levelcrossings.vic.gov.au/melton for confirmed dates and times ahead of the works.

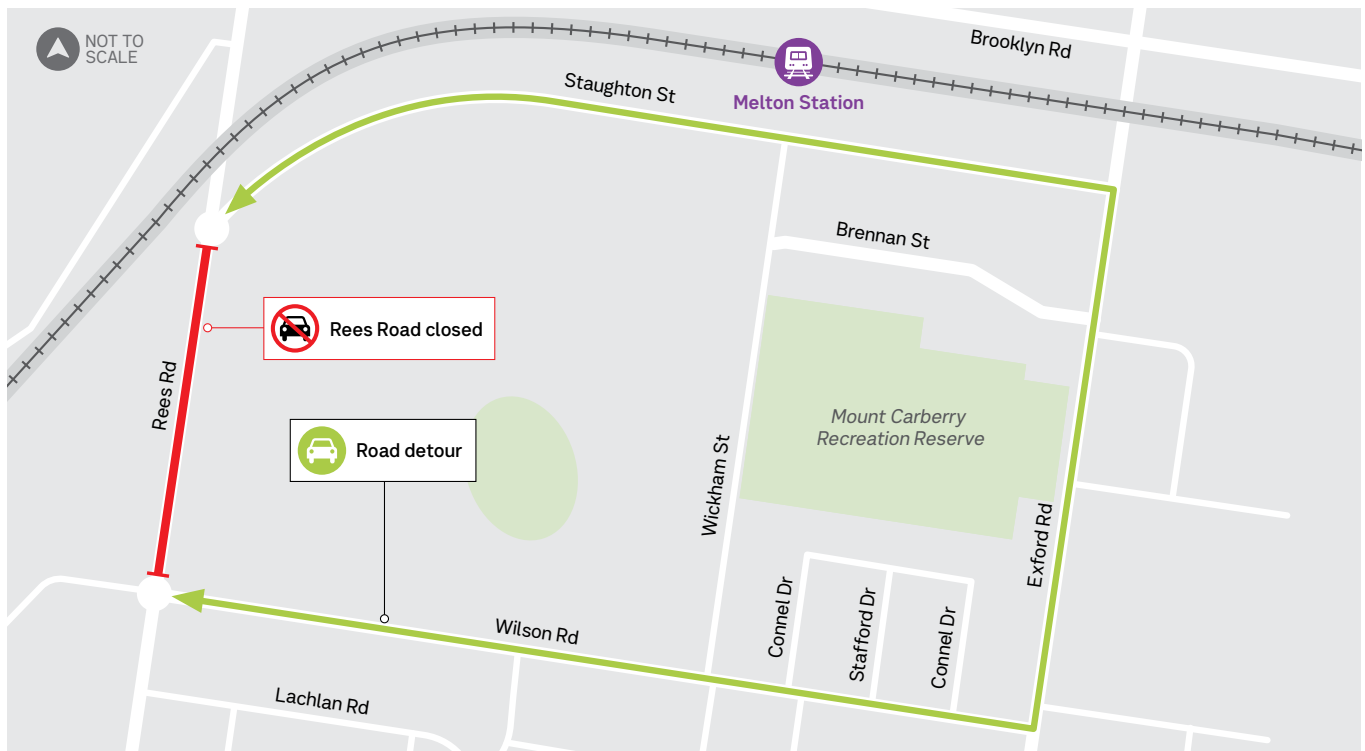

Detours will be in place via Coburns, Exford and Richard roads.

To allow for construction of the north-west station car park, the southern footpath on Brooklyn Road between Hazel Street and Coburns Road will be closed from **Wednesday 11 June until the end of September**.

Pedestrian detours will be in place on the northern side of Brooklyn Road.

Access to homes, businesses and the station car park will be maintained.

Rees Road closure

Rees Road will be closed to undertake pedestrian line marking works from 8pm, Thursday 29 May to 4am, Friday 30 May.

Detours will be in place via Staughton Street, Exford Road and Wilson Road.

To allow safe access for heavy machinery and oversize deliveries, we'll temporarily remove on-street parking on Rees Road between Staughton Street and Al Iman College in June until the end of the project.

Access to Al Iman College will be maintained at all times.
